Pig Veterinary CPD Series for veterinary General Practitioners in Wales

Menter Moch Cymru, Wales Veterinary Science Centre, Iechyd Da and Animal Health Services have put together a programme of Pig CPD training for Welsh vets to be delivered via zoom commencing later this month.

Seven monthly interactive modules are planned with each being delivered by specialist pig vet **Dr Alex Thomsett** of the George Veterinary Group.

Topics for each session will be as follows:

- Session 1:** Common Husbandry Procedures
• including euthanasia, foot trimming, castration, husbandry
• Menter Moch Cymru subsidized Health Plan Initiative
-
- Session 2:** Nutrition
-
- Session 3:** From birth to weaning
-
- Session 4:** Respiratory Disease
-
- Session 5:** The Sow Cycle (1) – The Gilt
-
- Session 6:** The Sow Cycle (2) – The Sow
-
- Session 7:** Health Planning Summary
• including vaccines, worming programmes
• Menter Moch Cymru subsidized Health Plan Initiative

The first session will take place on
Wednesday 23rd Sept 2020
Commencing at 16.00

Each session will last about an hour with an extra 15-30 mins interactive Q&A at the end.

The maximum number of attendees on each webinar is 12 to allow discussion.

The dates for sessions 2-7 are yet to be confirmed in case a more mutually convenient time or day is preferred by the speaker and majority of attendees.

Registration is essential and should be done by email to:
